

Free Woman Certificate

This certificate confirms

is officially a free woman

I choose to accept my birthright as a woman and release the negative archetypes that have bound me.

I now remove the veil of consciousness that has hidden my divinity. I reject all falsehoods, manipulations and control over me.

I choose to reclaim my sacredness, greatness, spiritual powers and equality as a woman.

I choose to allow love, nurturing, respect and support from others and invoke my healing powers to heal our children and Mother Earth.

I make this declaration that I am a pure, sacred and powerful woman. I recognise that by reclaiming my rights and my power, wellbeing and balance is restored to myself and the earth.

It is my gift and birthright as a woman, to be free to live in my power from this point forward.
