02 | MISSION

“

My vision is to heal the deep wounds of women, break-through the suppression and negative archetypes that have kept women bound. I aim to assist women to reclaim their creativity, power and self-worth and realise their greatness. The undeniable feeling, that freedom brings, is paramount in any woman's life and I can help them to achieve it!

”

03 | MARISA'S STORY

“As parts of my childhood memories returned, I tried to make sense of it all. There were many pieces of the puzzle that started to come together as I retraced my steps. It started to make sense why I experienced high levels of anxiety, panic attacks, felt unsafe, and wanted to lock my bedroom door at night.”

Abused as a child, Marisa Russo feared commitment and fell into a lifestyle of poor choices and negativity. Finally able to reclaim her true identity in her mid-thirties, she made it her life's work to help others in the same predicament. Having founded Forensic Healing, Marisa's investigative style first attracted praise in her book, *Women Breaking Free*. In her recent book; *Freeing The Unloved Girl*, Marisa helps readers discover and heal past hurts using a combination of examples and exercises, alongside words of encouragement and validation.
